- Available in sizes 5-12, 13, 14
- Metal eyelets, two pairs of laces, high-density insole, and custom shoebox

CAMBRIDGE

The Cambridge consists of mixed materials including suede, mesh, and perforated synthetic leather, giving the shoe a modern look without forfeiting its vintage vibe. This mix of contemporary and classic keeps the shoe from being pigeonholed to a specific look, catching the eye of minimalist and tech skaters alike. The Cambridge has been paired with a PARA-MOUNT™ outsole, our most advanced vulcanized outsole to date, and finished with a DELUX-LITE™ footbed.
