Lee Smith

Lee Smith

Street Cinema

I've known **Lee Smith** since he was 13, back when EMB was the center of our universe. Lee was always into drawing and graffiti. He had a gift for it, but skating became the focus, and he was reluctant to take art too seriously.

Lee was always incredibly observant. He didn't drive, but he knew the streets like the back of his hand. He'd sit shotgun, giving you directions while reciting lyrics to a song he'd only heard once.

Somewhere along the way, art found its way back in. He traded markers and spray paint for oils and brushes. What came out of it feels pretty familiar if you know Lee, people hanging around, neighborhood spots, and the everyday street scenes he's spent a lifetime noticing.

Lee first brought that eye to Chocolate with Little Wins in 2022. Four years later, he's back with **Street Cinema**, three new paintings for us. —Sam Smyth
