DESIGNED FOR MOVEMENT. BUILT FOR IMPACT

Fusing performance-driven innovation with everyday versatility, Lakai footwear delivers durability, comfort, and style—whether you're on a board or on the go.

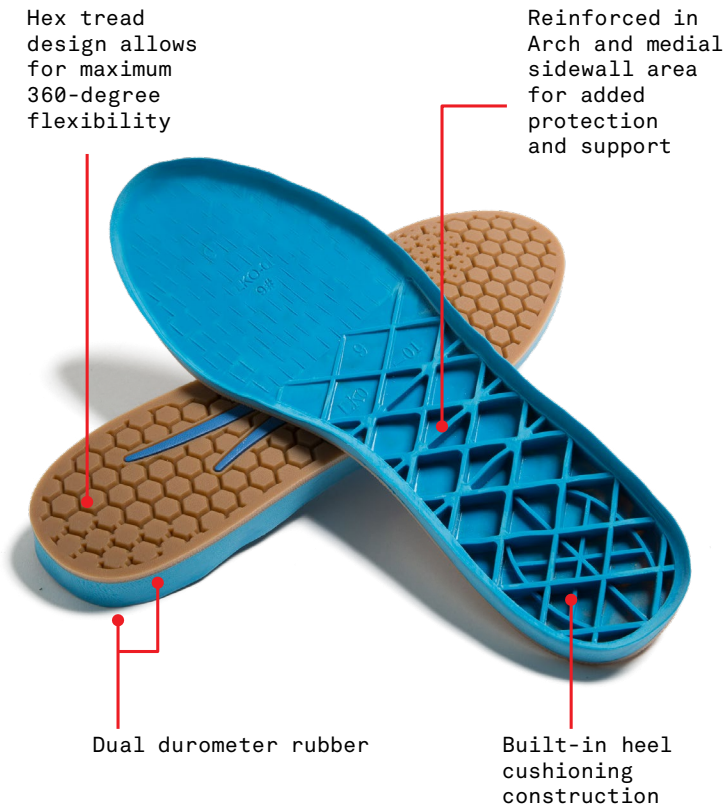

deluxlite

Our new DELUX-LITE™ sockliner uses premium foam and is designed with a deep contoured heel and arch for superior comfort.

PARA-MOUNT
ADVANCED DUAL DENSITY OUTSOLE

PARA-MOUNT™ outsole technology utilizing dual density rubber to absorb high impact and reduce fatigue.

CAMBRIDGE

The Cambridge consists of mixed materials including suede, and mesh, giving the shoe a modern look without forfeiting its vintage vibe. This mix of contemporary and classic keeps the shoe from being pigeonholed to a specific look, catching the eye of minimalist and tech skaters alike. The Cambridge has been paired with a PARA-MOUNT™ outsole, our most advanced vulcanized outsole to date, and finished with a DELUX-LITE™ footbed.

CAMBRIDGE XLK

The Cambridge XLK keeps the familiar mixed-material upper—suede, mesh, and perforated leather—for a blend of style, breathability, and durability. But underneath, it's built on our XLK cupsole for a more supportive, impact-ready ride. Unlike the original PARA-MOUNT™ version, this sole brings lightweight performance with improved boardfeel and longer-lasting wear. Same trusted upper, upgraded foundation—perfect for skaters who want classic vibes with added support.
